MammaMia | Maiora

Mamma Mia is a 40m, Maiora 131 motor yacht which was designed and built by Maiora in Massa and Viareggio in Italy in 2008 and has since carefully maintained to RINA classification society.

Mamma Mia is the perfect combination of elegance, luxury and comfort offering her guests the opportunity to relax and unwind while enjoying the yacht's numerous amenities. Mamma Mia is beautifully furnished and has timeless styling that creates a comfortable and elegant atmosphere throughout, effortlessly combining generous spaces, large volumes and a sleek look.

During 2022 the entire interior and exterior of this superyacht was completely renovated. The all new contemporary interior is complemented by a total reimagined open air sundeck with a fully equipped open bar for drinks under the stars. Custom made sofas, sunbeds, dining spaces and more are arranged across the two decks, offering socialization and seclusion in equal measure.

The main deck features a spacious living room, with comfortable seating and excellent views, as well as a fully professional kitchen where our chef creates innovative recipes. Luxurious materials throughout the vessel, including leathers, light woods, marble, hardwood floors and light-colored soft furnishings, are all complemented by head-turning modern art.

Combining generous spaces with luxurious fittings, boasting an impressive array of outstanding amenities and a world-class crew, M/Y Mamma Mia promises a truly out-of-this-world experience that you'll never forget.

may not be used for contractual purposes. Specifications provided for information only.
