"M/Y CROCUS is the epitome of Admiral's Atos series. Dominating the under 500 GT segment, she arrives on the market virtually untouched and in pristine condition. Her minimalist interior, envisioned by Gian Marco Campanino, is bathed in light, owing to the expansive floor-to-ceiling windows. The yacht's vast exterior spaces are designed for premium leisure and entertainment, while her sizable beach club further solidifies her as a premier choice for those seeking a close connection to the ocean.

Admiral, part of The Italian Sea Group, crafting yachts since 1575, means passion, attention to details and refined style. Crocus is one the best Admiral built yachts, featuring exquisite craftsmanship, luxury and a fine example of excellence and made in Italy"
