ZERO - HOURED engine rebuild with new blocks 2023.

Available in January 2024 after a € 3M refit with a new 20 year class certificate and newly rebuilt zero-houred main engines. This aluminium Heesen semi-displacement motor yacht offers distinctive contemporary styling which stands the test of time. She offers a potential new owner great opportunities for fast yet comfortable cruising thanks to her totally overhauled zero-houred MTU 4000 series engines and at anchor stabilization.

Featuring a contemporary Terence Disdale interior, she represents a great ownership proposition for those seeking a high quality, well maintained fast cruising yacht.
