- Crew: 8
- Builder: CRN ANCONA
- Built: 1996
- Refit: 2015
- Flag: Malaysia
- Location: Thailand

DESCRIPTION

Motor yacht AZUL V was built by CRN in 1996 and won the 2016 World Superyacht Awards in the Rebuilt Yacht Category. Currently located in the magnificent waters of Southeast Asia, Azul V stands as one of the largest and most luxurious yachts in the region.

AZUL V has been fitted out with the latest navigation and electronic equipment. Underway stabilisers keep her comfortable no matter the cruising conditions. Powered by two Deutz 620 V-12 2285hp engines, motor yacht AZUL V cruises at 13 knots and can reach top speeds of 16 knots.

ACCOMMODATION

Master Suite

Motor yacht AZUL V's exceptional Master has a king size bed, and wide windows on port and starboard, offering plentiful natural light and great views on both sides. There is a separate, private study and seating area. The bathroom with tub is luxuriously finished with Italian marble.

This suite guarantees the utmost privacy as there are no side decks forwards.

Guest Cabins

Amidships the lower deck, two twin cabins are located on port and starboard. Adjoining is an impressive, full-width VIP stateroom with a separate lounge, which can be closed off if needed. With an additional double on the main deck and an upper deck single cabin, AZUL V provides accommodation for 10-12 guests.

All staterooms have ensuite bath and shower rooms

Jacuzzi on Sundeck

AZUL V's vast Sun Deck is perfect for entertaining in the tropics. Besides a deluxe Jacuzzi there are a wet bar, chaise lounges, and over-sized sunbathing pads. A subtly designed Satcom arch and awning provide shade whenever required. On the main deck aft is the tender area.

An extended swim platform enables easy water toy access.
