EXPERT'S VIEW

XANAX offers a comfortable four guest cabins layout, including a main-deck master and a generous VIP on the lower deck fwd. She is EU VAT Paid and commercially registered under the Maltese flag, with Bureau Veritas classification—ideal for both private and commercial operation. Designed with fast, sleek lines by Andrea Bacigalupo and Luca Dini design, built in all-aluminium by the renowned Admiral Shipyard, she delivers speeds up to 30 knots in comfort. A recent refit, including a full paint job in 2020-21, enhances her appeal, making XANAX an attractive opportunity at a very reasonable asking price.
