14. REFIT & MAINTENANCE NOTES

WORKS 2021, 2022, 2023, 2024:

ENGINEERING

- W5 (6,000 hour service) on main engines
- Lloyds 20 year Full Survey completed June 2024
- Complete annual Lloyd's & Cayman Island Shipping Registry annual surveys completed May 2024
- Generator Engines 2,000 hours service Feb 2025
- Overhaul of various engine room pumps
- Overhaul of tail shafts, cutlass bearings, propellers May 2024
- Overhaul electrical board relating to generator load sharing and generator synchronization
- Complete overhaul of Hamman blackwater treatment system, relining interior of tank & all associated pumps & rewiring

- Installed ozone treatment system in black water tank
- Installed charcoal filter on grey tank vent on sundeck stack
- Serviced fuel purifier
- Serviced hydrophore system
- Serviced compressed air system
- Serviced Alpha Laval fuel purifier
- Replaced multiple fuel tank sensors
- Serviced AC cooling pumps and replace pressure gauges
- Replaced sensors on Fresh air make up units
- Serviced multiple air handlers onboard
- Overhauled bilge remote control valves
- Cleaned and painted areas in bilges in engine room
- Cleaned and painted misc areas in engine room
- Painted areas of pump room
- Serviced capstans on foredeck
- Serviced capstans on aft deck
- Modified water bunkering line and water softener
- Replaced jet box valve in pump room for EVAC system
- Serviced evaporator for refrigerated garbage room
- Installed 2 x new inline heaters for Hot Tub & new electronic controls installed
- Installed new ice maker on sun deck
- Serviced hydraulics for crane on foredeck
- Replaced gym TV
- Installed 2 x Starlink antennas
- AV/IT: updated all connectivity with Pepwave, VSAT systems, Control 4 remotes
- Serviced hydraulic side boarding gangway
- Rescue tender serviced engine & aligned
- Serviced stem passageway

FLACKTON YACHTING
 Superyacht solutions

VIBRANCE

- Replaced insulation on piping in pump room and piping tunnel
- Complete 5-year service on shore power
- Serviced cooling systems in generator room
- Serviced emergency steering system
- Chlorinated water tanks
- Replaced end caps on heat exchangers for gearboxes
- Replaced all batteries onboard
- Replaced frequency drive for engine room bilge pump
- Replaced frequency drive for fire pump in engine room
- Painted grey water tank
- Installed new tank top sensors for grey water tank
- AC system extensively worked on and rebuilt with a number of frequency drives and blowers replaced
- AC chillers serviced
- Rebuilt sea water pump motors for AC system
- Rebuilt cool water circulating pump
- New printer for control room in engine room

DECK

- Annual service all life saving equipment
- Completed annual Radio Survey April 2024
- Annual load test for overload safety tracks
- Annual load test and survey for Vandriel davit for rescue tender
- Replaced crane cable on foredeck
- Crane on foredeck-annual inspection
- Serviced Palfinger quick release hook for Vandriel davit for rescue boat
- Annual service for all firefighting equipment & systems onboard
- Annual service for HiFog system
- Installed new UPS batteries on bridge for ECDIS system
- Implemented "Type approved" ECDIS system on bridge

- Replaced magnetrons on both radars
- Updated all electronic publications
- Replenished grab bags
- Updated medical kits onboard
- Installed new window tinting in bridge
- Serviced 2 x Seabobs
- Replaced jet ski covers
- Fabricated sun shade for gym
- Varnished tables on port and starboard side of sun deck
- Serviced gym equipment (StarTrac elliptical exercise machine and treadmill)
- Installed fuel pump flow meter in lazarette for diesel tender fueling system
- Purchased new mooring lines with leather eyes
- Replaced misc covers on cushions
- Purchased new fender post system for swim platform
- Purchased new carbon fibre spreader bar and lifting straps & lifting eyes for rescue tender
- Recaulked and sand teak on sundeck
- Replace teak section fwd of bridge and recall and sand deck in this area
- Recaulked swim platform
- Recaulked 110m of caking around margin boards by scuppers on main deck & bridge deck
- Replaced misc margin boards on main deck and bridge deck
- Replaced teak section and steps by jacuzzi
- Re-stained lazarette cupboards
- Painted areas emergency steering room
- Installed new dive compressor
- Purchased new Sperry "Trick Wheel" for wing control steering
- Replaced fire hoses where needed and fire hose fittings
- Purchased 6 x new fender hooks

VIBRANCE

- Purchased new fenders
- Purchased new fender socks
- Replaced 2 x motors on bridge windscreen wipers
- Removed all items from all lockers and forepeak and clean and detail
- Fabricated padded canvas storage bag for Marquipt side boarding ladder
- Installed new mixer and cover plate for swim platform shower

CASTOLDI RESCUE TENDER

- Serviced engine, gearbox & transmission
- Annual service for Rescue boat & associated equipment

WAVE RUNNERS

- Serviced both Yamaha Wave Runners

INTERIOR

- Installed new ice maker in upper deck pantry
- Replaced misc toilet jet valves
- Replaced sensors on misc toilets for EVAC system
- Replaced regulators on misc showers in guest cabins
- Serviced all Miele washing machine and dryers
- Serviced multiple air handlers onboard
- Installed new blower in guest foyer on main deck
- Replaced TV in port fwd guest cabin
- Cleaned ducting in galley
- Cleaned ducting in laundry
- New flooring in crew mess, upper pantry and crew companion ways
- New MKN oven installed in October 2021
- New griddle top & hot plates for galley installed in October 2021
- New stainless countertop for galley installed in October 2021
- New printer for captain's cabin
- New Mac desktop for captain's cabin

- Organized and inventory dry store
- Repainted floor of walk-in refrigerator
- Repainted floor of walk-in refrigerated garbage locker

REFIT 2018-2019:

- Complete interior and exterior refit
- Complete full exterior specialized paintwork with metallic Awl craft base paint plus high-density HDT Clear coating, 10 x Coats applied
- Lloyds 15-year Full Survey completed June 2019
- Main Deck Aft Transom extended & painted
- 2 x New MTU Long Block Engines 2018 installed
- Caterpillar generators rebuilt
- New Electrical Power Load Bank system installed
- Rebuild & Upgrade of Zero speed stabilizers, Nalad Dynamics installed
- Two new Hot Water Heaters installed
- New 30 Air Humidifiers & Ultra Violet Air Conditioning system units installed throughout vessel
- New exterior lighting across vessel
- New Electronic gangway, boarding ladder and gangway controls
- New IT network infrastructure installed
- New fully integrated Plex Media/ Music/ System installed
- New Carpets installed throughout interior
- New Modern lighting features
- New Artwork
- New seats & furniture, New Sofas and dining tables installed
- New Beds, headboards & mattresses in all guest suites
- Polished granite Foyer installed to main entrance plus ceiling chandelier
- New Soft fabric Overhead Panels installed throughout vessel

- New décor, mattresses and linens in all guest suites

FLACKTON YACHTING
 Superyacht solutions

VIBRANCE

- New window treatments installed throughout the vessel
- New modern marble light features and interior lighting installed
- Crew quarters upgraded with new carpeting, beds and bathroom works

15. COMMENTS

Custom built by Amels with a gorgeous interior and stunning exterior design by Donald Starkey, 49.3M/162' VIBRANCE exudes unique and timeless elegance. VIBRANCE remains a very livable, high interior volume and modern yacht thanks to the continuous investments in maintenance and refits of her owners over the years.

The spacious master cabin has its own private interior lounge and exterior seating via private entrance. Tenders are stowed on bridge deck mid-ship out of the way from guest spaces. With a full displacement hull and a large gross tonnage of 659 tonnes, she extremely comfortable and quiet underway.

Motor yacht VIBRANCE sleeps up to 12 guests in five luxurious cabins, with accommodations for up to 11 crew.

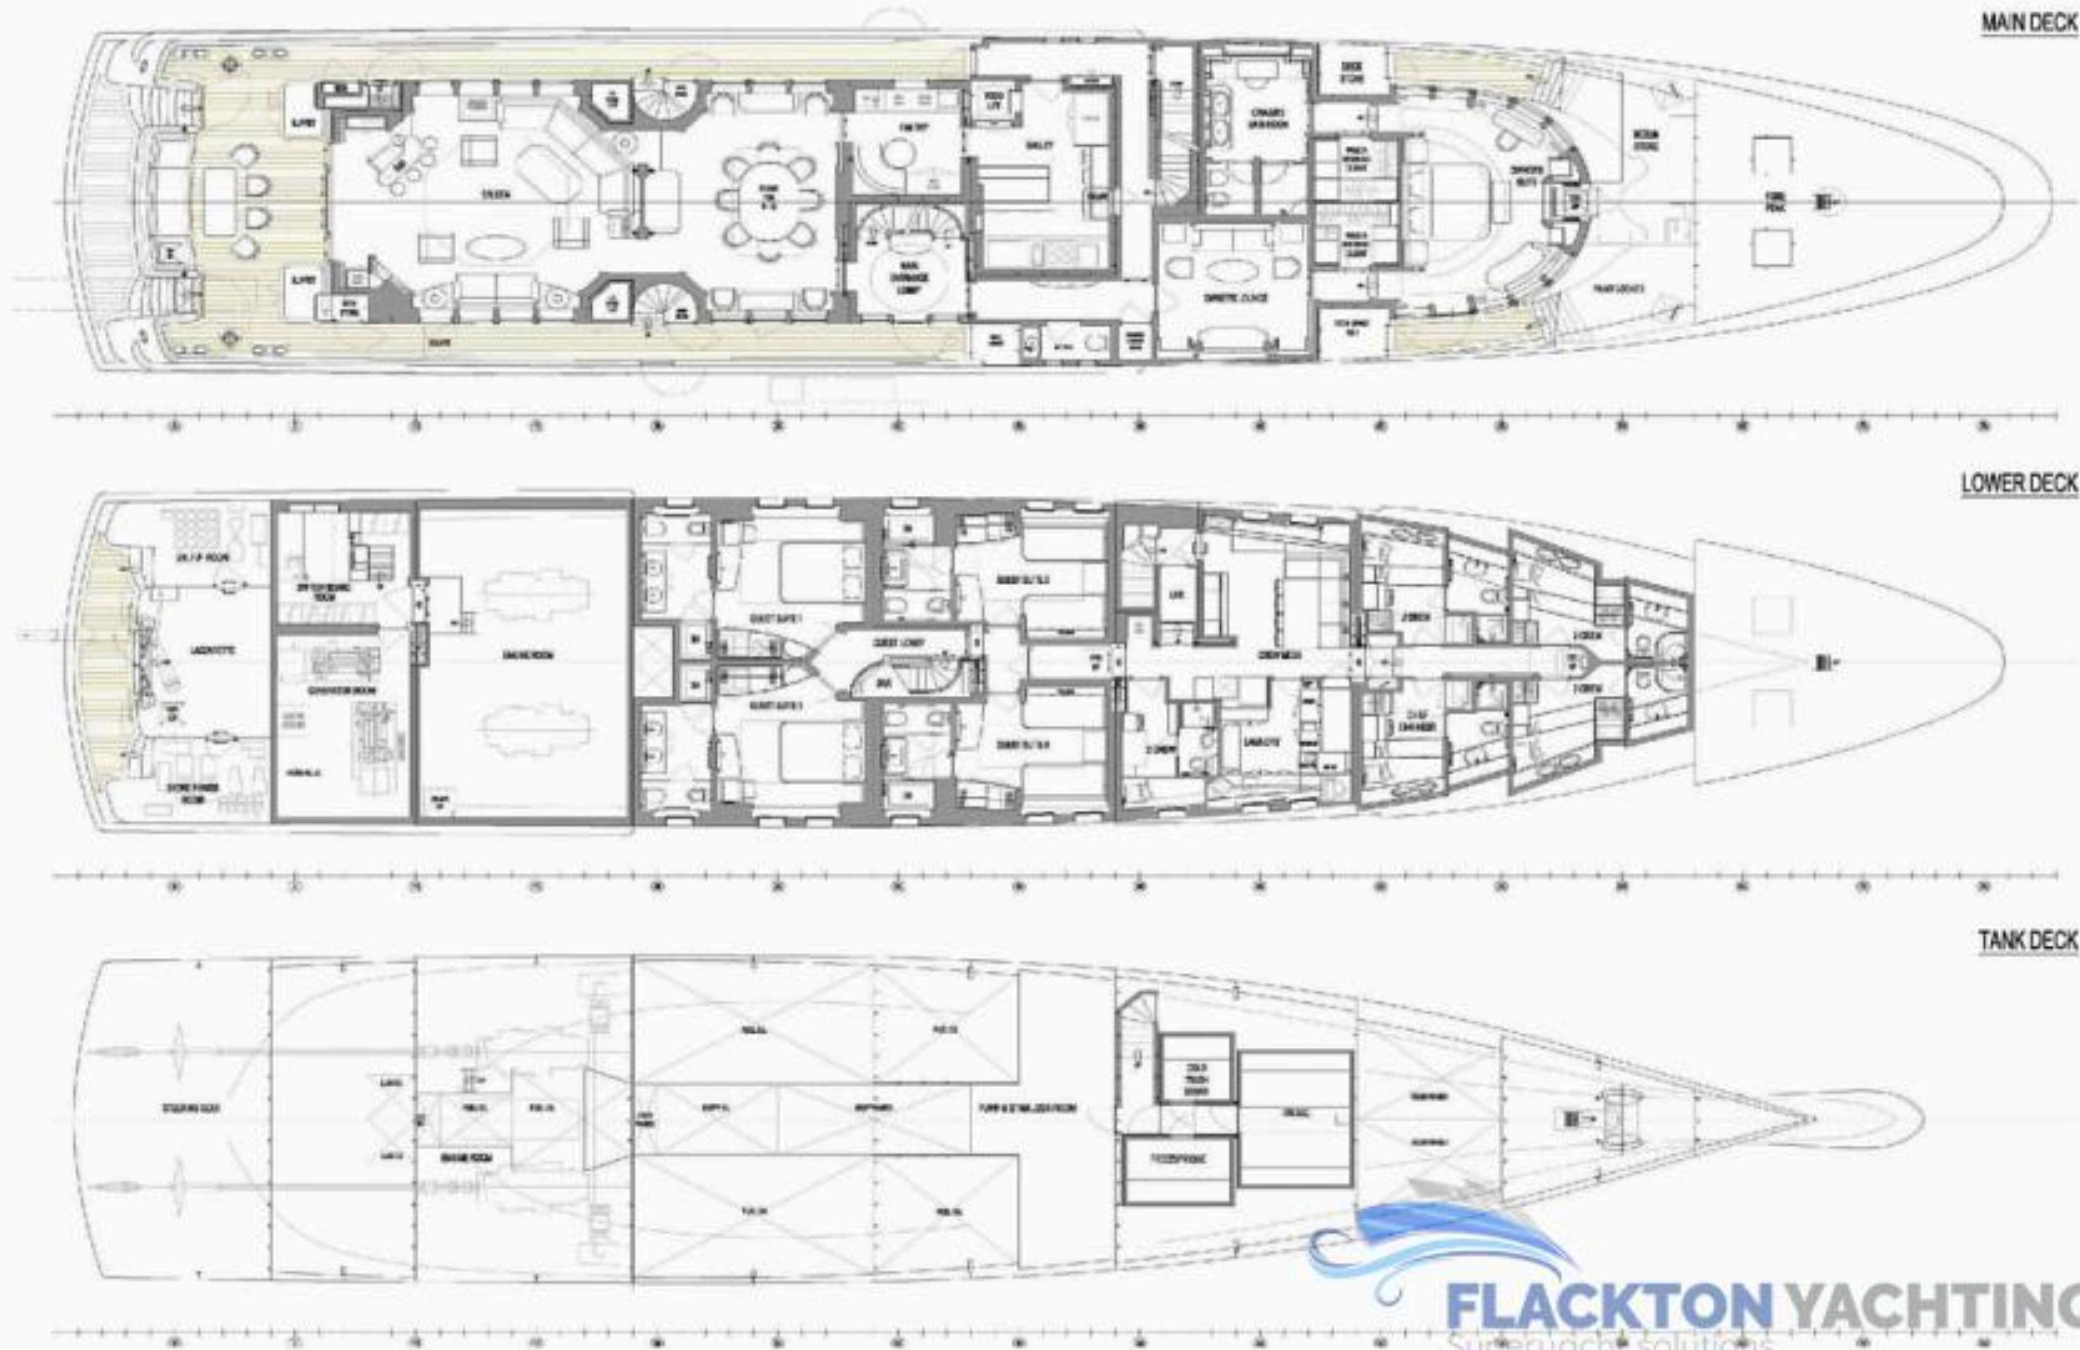

The large sundeck is equipped with a roomy spa, dining table for 12, and various seating and lounging areas. Additional amenities include an alfresco well-equipped gym and brand new custom hot tub.

She has been extremely well maintained and constantly upgraded with new main engines installed in 2018, and complete repaint, generators rebuilt, new bridge electronics and interior furnishings replaced in 2019.

KEY FEATURES

- Extremely large volume for a 49m yacht
- Dutch pedigree full-displacement, world cruising capable
- Interior and exterior design by Donald Starkey, Interior built by Metrica

- New main engines installed in 2018
- Complete repaint, generators rebuilt, new bridge electronics and interior furnishings replaced in 2019
- Lloyds 20 year class survey completed June 2024
