EXPERT'S VIEW

"EREIVA is an exceptional Mangusta 104 REV delivered in 2023 and presented in immaculate, one-owner condition. As the first Mangusta Maxi Open designed by Lobanov Design, she embodies a striking evolution of the iconic Mangusta lineage, combining bold contemporary styling with expansive glazing and refined interior volumes. Her full-beam owner's suite and light-filled main salon create a sophisticated onboard atmosphere, while powerful MTU propulsion delivers exhilarating performance up to 35 knots. Maintained to the highest standards since new, Ereiva represents a rare opportunity to acquire a nearly new Mangusta flagship with pedigree design, outstanding build quality and immediate cruising readiness."
